

Ministry Position Description ~ First Baptist Church of Sturgeon Bay, Wisconsin

Associate Pastor

First Baptist Church of Sturgeon Bay, a smaller mid-sized congregation of approximately 150 in a community of 10,000 in Door County, Wisconsin, seeks the right person to join our church as associate pastor. Initially, he will work with many and various family ministries. This pastor will have a sincere and passionate interest in such ministries and will work directly with children and youth as well as develop and oversee ministry teams composed of gifted and committed laypersons, whom he will train and equip to carry out ministries in church and community.

This person takes seriously his relationship with Jesus Christ and his growth as a disciple; he embraces the sovereignty of God and esteems the doctrines of grace; he demonstrates proficiency in studying and understanding the Bible and teaching its truth; he aims to give himself to prayer and the ministry of the Word; he understands and endorses historic Baptist convictions and perspectives; he enjoys healthy interpersonal relationships with a variety of people, and works to get along with others.

This pastor appreciates working cooperatively with a senior pastor and understands the value and necessity of a supportive and complementary relationship with both the senior pastor and other church leaders. Further, he regards service with First Baptist Church as a ministerial destination and not merely as a stop on a ministerial journey.
