

Amish Awareness Conference

Two weeks ago, we were in Ohio at an Amish Awareness Conference. The conference is put on by the Mission to the Amish People (MAP), which is a ministry that assists former Amish, as well as reaching people who are Amish and not Christian. You can learn more about the ministry here <http://www.mapministry.org>

At the conference, Jonas shared about our ministry in Germany. We also will be helping MAP ministries by writing for their newspaper that goes out every other month to 8,000 Amish people.

Emma's Healing

Emma was healed of her colic at the MAP conference! She would scream and cry from noon to midnight every day with only a few breaks in it for short naps and eating. The family we were staying with prayed over her and asked God for healing, and she was healed. We have all been sleeping much better now and can actually get things done during the day. Praise God!

From 10% to 14%

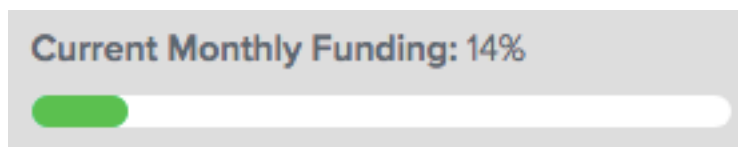

We have jumped from ten to fourteen percent of our monthly support! God is moving and we are so thankful to see Him working in us and in other people throughout this process. Thank you so much for partnering with us and helping us get to Germany!

How To Pray For Us:

- Continue to pray for our support
- Give thanks for the new partners
- Give thanks for Emma being healed

THANK YOU!

We continue to see God's hand in our fund-raising and feel compelled to share our ministry vision with others. Thank you to those who have become financial partners with us. If you are interested in donating, please visit the link below. If you have any problems with the website, we would be happy to walk through that process with you. This ministry is not possible without your help! We are very grateful for your consideration and support.
