North Woodbury

Last week we were in Ohio speaking at North Woodbury church. We were so blessed by the people in this church and are so excited to partner with them. This church is excited to send short-term mission teams to us in Germany. God is doing big things in Germany and in North Woodbury, and we are excited to see them intertwine! Please pray for God to continue to guide us in developing this partnership.

A Friend From Germany

A couple weeks ago, our friend Hannah from Germany, who we met in France two years ago on a mission trip, came to stay with us for two weeks. She is not a Christian, but after showing her that church is not just the “boring, lifeless” Lutheran church she grew with in Germany, she said that she now believes in God. We are thankful for this huge step, but please pray because

she has a long road ahead of her.

Emma's Allergies

For those of you who have been on this journey with us, you already know that Emma is allergic to dairy, soy, and corn baby formula. She still cannot nurse, and is refusing pumped breast milk. We have now resorted to a rice milk formula, and she is doing very well. We also have found out that she is very allergic to oats, as she was covered in hives, had puffy eyes, swelling above her lip, and threw up. We are very thankful for Benadryl, but please pray that we can figure out what Emma is allergic to, and that she will grow out of these allergies.

Funding

We are currently at 15% of our monthly support! Praise God for the increase! We have several appointments with churches coming up, so please be praying for these meetings.

How To Pray For Us:

- Continue to pray for our partnership development
- Give thanks for the new partners
- Pray for our travels to Wisconsin, Kentucky, and Nebraska to speak at churches
- Pray that many more people like Hannah will meet and know Jesus
