Lots of travel

We are writing to you from Russellville Kentucky. It has been such a blessing to be among family and friends, and to introduce lovely Emma to them. Jonas has some speaking engagements here, and we will also be meeting with some potential financial partners. After Kentucky, we head to Missouri to visit more family, including Emma's other grandparents! Then, we head to Nebraska to meet with some churches and individuals who are interested in our ministry. After Nebraska, we head to Minnesota to meet with more potential partners, before heading back to Chicago.

Fox River Baptist Church

Last Sunday, Jonas had the opportunity to share our ministry with Fox River Baptist Church in Appleton, Wisconsin. It was so encouraging to see a church so excited about missions and wanting to hear more about getting involved in our ministry.

Emma

Emma is now four months old and thriving! Thank you all so much for your prayers; she has not had any more allergic reactions since our last update. She is enjoying learning to eat, and loves applesauce. Emma has rolled over, laughed, and has her two back teeth poking through a bit.

If you missed any of our previous updates, you can find them [here](#)

Funding

We are currently at 18% of our monthly support! Praise God for the increase! We have several appointments with churches coming up, so please be praying for these meetings.

How To Pray For Us:

- Continue to pray for our partnership development
- Give thanks for the new partners
- Give thanks that Emma has not had any more allergic reactions
- Pray for our travels to Kentucky, Nebraska, and Minnesota to speak at churches and meet with individuals

THANK YOU!

Thank you to those who have become financial partners with us. If you are interested in donating, please visit the link below. If you have any problems with the website, we would be happy to walk through that process with you. This ministry is not possible without your help! We are very grateful for your consideration and support. <https://converge.org/give/209849>

Current Monthly Funding: 18%
