

Which state are you in now?

We are often asked this question, and sometimes we can't remember where we wake up in the morning, but we are currently in Nebraska. We have been traveling A Lot, and we are tired. This wonderful couple who served as missionaries in Hungary has welcomed us into their home here in Nebraska so we can rest and join in their church community for a while. We are still actively developing partners to join us in our ministry to Germany, and working to schedule more speaking engagements, but it is wonderful to be able to have such a loving community taking care of us and encourage us to rest and take care of ourselves.

Life Update

Emma is almost eight months old! She is enjoying pounding on the piano, crawling, eating yogurt and

plane, crawling, eating yogurt and tasting other foods, spending as much time as possible outside, and playing with the dog here named Siggy, whom she lovingly calls “iggy”. Jonas is plowing through his school work, as well as getting to do some handyman jobs, which he enjoys. He also spoke at a church in Minnesota yesterday and will be flying out to California next Saturday to speak at a church in California. I have had the opportunity to garden, cook, bake, learn to can tomatoes, dance, and read, which all help me feel more rested up. I am very thankful for a break from the constant travelling.
