

May The 4th Be With You

May was another incredible month to see God move in so many ways! It held my busiest week of partnership development ever. I met and told the story of Togo to dozens of people. I learned so much and got to connect with so many new people. Our second church plant in Togo saw 123 people in attendance in one week. 5 came to Christ and 3 others were baptized that day. My favorite part about seeing those numbers is knowing that the only Believers were the pastor and his wife at the start of the church. Continue praying hard, I truly believe God is getting ready to do something incredible!

Here are some highlights from May:

25%

I have reached 25% funded:

It's exciting to see the number move up little by little. God has brought some incredible partners on board and I am incredibly thankful for their generosity. I truly believe we are better together and together we will see an incredible move of God among the people of Togo!

Bradenton, FL Trip:

I had the opportunity to return home and connect with family and friends and show so many what God is doing in Togo. God did so much during this trip and has provided more opportunities to return. It was also great getting to hang with our own Converge Missionary Care Team leaders, Joey and Carol Mimbs.

COQUINA COMMUNITY CHURCH

Coquina Community Church:

It was a great time with Coquina Community Church in St. Augustine, FL. I had a blast sharing the vision of Togo with this awesome bunch and meeting so many new people. It's so great to see a church so invested in world missions.

First Baptist Bradenton:

I had the privilege of getting to speak to the youth at First Baptist Bradenton and the youth of First Baptist Palmetto. It was a fun-filled evening as we were challenged to bring the light of Jesus to everyone who does not yet know.

Prayer Focus:

Moulolo is our prayer focus this month. He is gearing up to pastor our third brick and mortar church which should be completed this summer. He is an incredible man of God. He is humble, bold and confident. Pray for him as he personally prepares for this incredible opportunity, gifted by God. Pray for him as he plans to launch his own business to sustain him and his future family.

Humble. Bold. Confident.:

Here are 3 things I saw in our pastors in my time in Togo this year. It is something that I benefitted from so much and think we all can. Check out the blog [here!](#)
