

The Masongezis
are
Stateside!

Their
Leadership Team
continues
ministry in
Cameroon!

October 6, 2017

Warm greetings from Union City, Georgia. We arrived home three weeks ago after being on the road for seven weeks in the Chicago/Rockford area. We spent quality time with around six churches, many friends and clocked 7,000 miles on our car. We were invigorated and renewed by visiting with our committed ministry partners. Thank you to those of you with whom we reconnected! We enjoyed every minute being with you and wish we could have spent more time. However, we dispensed a lot of energy and have been replenishing and renewing our strength as we prepare for the upcoming fall ministry tour in MI, MN and WI in just a few days from now.

It's not surprising that we've already been in the States four months. We have been encouraged by the expository preaching, orchestral instruments, the theological resources at Christian bookshops, Christian radio and much more that we've missed while being on the field. We trust those opportunities will not be taken for granted by the majority of the church, but rather soak it all in like a sponge for spiritual growth and that the LORD would keep on point of making disciples and not just going through the motions.

Family Time update:

We enjoyed Labor Day with Shirley's sister's family in Baltimore and all attended our youngest grandson's baby dedication in Laurel, MD. A couple days later, we received a phone call about the unexpected death of a family member on Wilondja's side. As a result, we traveled to Lexington, KY for the funeral of our children's uncle, who was the younger brother of their birth mother. Join us in praying for the Ndeemya family, especially the widow and four grown children, one in college and two in high school. Then two weeks ago the Masongezi, Wright, and Anderson families celebrated the exciting graduation of Anthony Anderson, our son-in-love, from Strayer University that took place in Atlanta.

Pray for our Church Visitation Schedule

October 15	Bible Baptist Church,	Mauston, WI
October 22	Cornerstone Baptist Church	Ludington, MI
October 29	Faith Bible Church	Livonia, MI
November 5	Elim Baptist Church	Detroit, MI
November 12	Friendship Church Mission's Conference	Prior Lake, MN

We are so grateful to some dear friends who have lent us their car during the above church visits. We fly to Chicago on Wednesday, October 11 at 9:40 am and return to Atlanta on November 15 at 12:30 pm. God is providing in supernatural ways during our Home Assignment, for which we're very grateful and desire you to join us thanking Him. We want to thank you for your prayers and patience, since we have 30 more supporting churches to visit in addition to new ones.

Our Prayer Requests and Praises:

1. Thank God with us for three precious family gatherings we had in the month of September.
2. Pray for God's wisdom, initiative and tenacity to make new contacts to help reduce our \$1500/month shortfall.
3. We have received word that the conflict in Cameroon has escalated again.
4. Finally pray for our strength, stamina, and our presentations at each church listed above, when we share with them what God is doing concerning our ministry in Cameroon.

Together Is Better,

Wilondja and Shirley Converge Worldwide/BGC 4701 Flat Shoals Rd., #32A Union City, GA 30291
