Dear Prayer Partner,

We are so thankful for our friends lending us their 2005 Ford Crown Victoria, which was our means of transportation for the five-week tour, visiting MN, WI, & MI from October 11 to November 15. We put 2,777 miles on our friend's classic automobile that only has 48,000 miles. It was a real luxury ride for us as we visited supporting churches and almost ten families that also support our ministry. This was quite a fruitful time

because we saw some great autumn leaves and two snow falls for the first time in four years! Fall is our favorite time of the year so we were doubly blessed seeing the first snow fall. This was our second group of churches and we have many more to go. So, please don't think that we are skipping you, but are making plans to visit our other supporting churches in the Midwest, NY and CO before returning to Cameroon in June. ***Continue praying for the \$1500/month we need before June 2018.***

Pray for our new travel schedule before Christmas

December 8 – 13	Grace Bible Church	Florissant, MO (a suburb of St. Louis)
December 14 – 18	Christian Fellowship Baptist Church	St. Louis, MO.

Pray as well for the possibility of meeting two more churches in the St. Louis area with whom we would like to share about of church planting ministry in Cameroon. We were reminded of a few things on our 5-week deputation trip. First, God's character is unchanging in the midst of all the changes in our lives and the circumstances around us, like the color of the leaves and the seasons changing. Then God has showed us his overwhelming love through our supporting churches and families as we visited and got involved in their lives. In fact, the love we share has increased, not remained the same or diminished, which has encouraged and invigorated us. ***Thank You*** for making all this possible because of your love and commitment to the King of Kings and Lord of Lords. ***Have a meaningful Thanksgiving season-Day and Advent welcoming Jesus to prepare us to celebrate His Coming!***
