

The Masongezi  
are  
Stateside!

Their  
Leadership Team  
continues  
ministry in  
Cameroon!

January 24, 2018

Dear Friend and Family,

We have some shocking news for those of you that have not been in contact with us the six weeks. Our last prayer missile informed you that we were headed to St. Louis to visit two churches. The day after we arrived, we received a phone call that my mother had suddenly passed away on December 11, 2017, (2 pictures below). We just talked with her on the phone the evening we arrived in St. Louis. We were devastated to find out that this would be our last Christmas program on earth and that she would celebrate it this year with Jesus, himself around the Father's throne. My husband and I are so grateful that we were in the States to celebrate Mama's life with my five other sisters, their husbands and with our extended family and so many friends. We had so many thrilling memories with mom since we arrived last June. We discovered her deep faith as she pursued God with all her might. Her gifts were "giving" and "helps" that she used vigorously by giving financially to several ministries and organizations as well as giving of her time. She prayed for the sick and shut-ins and prepared her favorite soups and salads to leave with them at Christian City Retirement Community, where she lived for 6 years.

This photo of the six "Wright women" was taken after the home going for Mama (in birth order, l-r), at Pilgrim Baptist in Rockford. We also service in Atlanta had many friends each of us as we stages of grief. for the they visit Galilee in Loveland, CO We're grateful for

had a memorial because mom there. **Pray for go through the Second, pray Masongezi's as Baptist Church from 1/25-2/1. your prayers!**
