Dear Prayer Partner,

Tuesday was our two-month anniversary for being back in the States after spending four years in Cameroon, West Africa! It has been thrilling to be able to be back in the States in order to spend time with family, ministry partners and friends, which has been invaluable. Some of you are not sure if we're in the States because you did not receive a prayer missile in June and July. **We are thrilled to let you know that we're alive, well and on the same continent for ten more months!**

We moved back into our home in the Atlanta, GA area two weeks before we drove to St. Paul, MN for the Converge Missionary Summit, where we spent one week with other missionaries also on Home Assignment. It was a joy to spend Father's Day with Mom, two sisters and other family in Atlanta. We continued spending time with our two daughters in the Orlando area for the 4th of July. In fact, we've already visited five supporting churches in St. Paul, MN; Rockford, IL; Harwood Heights, IL; Ocala, FL; and Atlanta, GA as well as putting about 5,000 miles on our vehicle in the process. **So, if you haven't yet seen us, we're headed your way!**

Our Church visitation schedule:

August 13 – Skokie Valley Baptist Church, Wilmette/Chicago
August 20 - Christ Bible Church, Chicago
August 27 – Elk Grove Baptist Church, Elk Grove Village/Chicago
September 3 – Our youngest grandson's baby dedication in Beltsville, MD
September 4 – Labor Day with my sister's family in Baltimore, MD

Prayer & Praises:

1. PTL for God choosing four exceptional couples that we've been mentoring in Cameroon that are ministering in our places while we are on Home Assignment. Pray for them also.
2. PTL we are almost settled back into our home and life in the States. God has allowed us to repair & replace many things at home, and replacing dry rotting tires on our car yesterday.
3. Pray for safe travel to the rest of our 43 supporting churches, ministry partners and great connections with family and friends this next month. We also need some R & R along the way.
4. We also need to the Lord to replace \$1,465/month. So, pray for new churches that we want to contact in the Iowa/MN district and the Southeast district (GA/AL/SC/FL).
